NOTICE OF PRIVACY PRACTICES FOR PROTECTED HEALTH INFORMATION

This notice describes how your medical information can be used and disclosed and how you can get access to this information. Please review it carefully.

Houston Women's Reproductive Services is committed to protecting the privacy of your medical records and the confidentiality of your visit. Your records (chart) will not be released to anyone outside of this facility with out your written permission unless a release is required by law.

We will use your information for the following purposes:

1. Treatment- to determine your care and treatment
2. Payment- if using insurance we will release information necessary for billing
3. Regular Healthcare Operations- members of the staff may review your records as part of our quality assurance
4. Business Associates- if a billing/collection/funding service is used
5. The State of Texas requires reporting of statistical information regarding abortions, including age, race, marital status, and city of residence. We WILL NOT release your name, address, or any identifying information.

Disclosure required by law:

1. Food and Drug Administration (FDA)- if there were a drug/product recall or defect
2. Public Health- we may disclose your health information, to public health authorities in charge of controlling disease, injury or disability.
3. Law Enforcement- we may disclose health information in response to a valid subpoena.

YOUR HEALTH INFORMATION RIGHTS

Your health record is the physical property of the clinic but the information belongs to you and you have the right to the following:

1. Request a restriction on certain uses and disclosures of your information
2. Obtain a copy of the notice of information practices (this document)
3. Inspect a copy of your health records
4. Amend your health record as provided in 45 CFR 164.528
5. Obtain an accounting of disclosures of your health information

OUR RESPONSIBILITY

We are required to:

1. Maintain the privacy of your information
2. Provide you with a notice that explains our privacy practices
3. Abide by the terms of this notice
4. Notify you if we are unable to agree to a restriction that you request
5. Accommodate reasonable requests you may have to communicate health information by alternative means or locations.

We reserve the right to change practices and make new provisions.

FOR MORE INFORMATION OR TO REPORT A PROBLEM

Please contact our privacy officer at the office. Complaints may also be filed with the U.S. Department of Health and Human Services Office for Civil Rights, 200 Independence Avenue, S.W., Washington, D.C. 20201, or by calling 1-877-696-6775, or visiting www.hhs.gov/ocr/privacy/hipaa/complaints/.

Consent to the Use and Disclosure of Health Information for Treatment, Payment or Healthcare operations.

I understand that as part of my healthcare, this facility creates and maintains health records describing my health history, symptoms, examination and test results, diagnoses, treatment and any plans for future care or treatment. I understand that this information serves as a:

- basis for planning my care and treatment
- means of communication among the health professionals who contribute to my care
- source of information for applying my diagnosis and surgical information to my bill
- means by which a third party payor (insurance) can verify that services billed were actually provided
- tool for routine healthcare operations such as assessing quality and reviewing the competence of healthcare professionals.

I understand and have read a copy of *Notice of Privacy Practices* that contains a more complete description of information uses and disclosures. I understand that I have the right to review the notice before signing this consent. I understand this facility can change their notice and practice and I may request a copy of any revised notice. I understand that I can restrict how my health information may be used. I understand that I can revoke this consent in writing, except to the extent that the organization has already taken.

Signature of Patient :_____Date:_____

Our Patients Have The Right To :

1 Make their own choices and self-determination.
2 Personal privacy and confidentiality of her choices and decisions.
3 Voluntary and informed consent as defined in Health and Safety Code (HSC) 171.012 without paying a fee for the informational materials.
4 A private opportunity to discuss medical information and ask questions.
5 View their own medical record, including the sonogram, if one has been performed, at any time as provided by law.
6 Access to care and treatment consistent with available resources and generally accepted standards regardless of race, creed and national origin
7 Ask questions after giving consent and to withdraw consent while still medically safe to do so.
8 Freedom from abuse, neglect or exploitation as those terms are defined in 1.204 of this title(relating to Abuse, Neglect or Exploitation Defined)
9 Review the department's informational materials as described in HSC 171.014 and 171.015.
